

NETWORKING BEYOND BOUNDARIES

An interactive event that will sharpen your networking skills for career growth

This unique event brings together **ilipark** employee resource groups from top companies and professional immigrant networks.

Keynote Speaker:

Dr. Wendy Collier, Professor, Ted Rogers School of Management and Founder, Diversity Institute.

What you will learn:

- The business case for networking
- Aligning networking activities with career goals
- Networking effectively in an increasingly diverse environment
- Understanding the struggle between professional associations

You will have the opportunity to:

- Grow your network in the ilipark's business community
- Take the profiles of your network or employee resource group
- Learn about other organizations, meet their leaders and members
- Explore opportunities for collaboration and partnership
- Make connections to enhance your marketability in the ilipark community

Dr. Collier is recognized as one of Canada's leading authorities on diversity. She has led the design of curriculum on communication and culture. She also has extensive experience as a consultant specializing in strategy and organizational change.
