

NETWORKING BEYOND BOUNDARIES

An interactive event that will sharpen your networking skills for career growth

This unique event brings together Hispanic employee resource groups from top companies and professional immigrant networks.

Keynote Speaker:

Dr. Wendy Cukier, Professor, Ted Rogers School of Management and Founder, Diversity Institute.

What you will learn:

- The business case for networking
- Aligning networking activities with career goals
- Networking effectively in an increasingly diverse environment
- Understanding the synergies between professional associations

You will have the opportunity to:

- Grow your network in the Hispanic business community
- Raise the profile of your network or employee resource group
- Learn about other organizations, meet their leaders and members
- Explore opportunities for collaboration and partnerships
- Make connections to enhance your marketability in the Hispanic community

Dr. Cukier is recognized as one of Canada's leading authorities on diversity. She has led the design of curriculum on communication and culture. She also has extensive experience as a consultant specializing in strategy and organizational change.
