

Construction Trades Program

DO YOU WANT TO WORK IN THE CONSTRUCTION TRADES?

This FREE program can provide you with skills training and language support to help you get a job in the **construction trades**. No previous work experience in construction is required to enroll. This pilot program is currently for Syrian newcomers.

Program Components

- Hands-on training
- Construction Health and Safety Training, including Working at Heights and WHMIS
- Construction Skills Training including, Forklift and Elevated Work Platform (EWP)
- Language training for construction
- Canadian workplace culture
- Information on in-demand construction jobs
- Information about how to pursue an apprenticeship
- Help finding and keeping a construction job
- Resources for additional services you might need as a newcomer

Program Completion

At the end of this program you will receive support to enroll in additional training, register as an apprentice, or find a job in the construction trades.

Arabic speaking staff will be available throughout the program.

We specialize in helping you find employment.
